COMMUNICATION

Sir:

Enclosed are three Notifications of the recording of a change received from the International Bureau for International Application, PCT/US2004/004772. This international application is the corresponding application for the national stage application identified above.

The first of these Notifications changes the status of inventor Tachibana from "Applicant and inventor for all designated states" to "Applicant for JP and US and inventor for all designated states". The second Notification changes the status of Mitsubishi Pharma Corporation from "Applicant for all designated states except US" to "Applicant for JP". The third Notification changes the "Applicant for all designated states except JP and US" to Kyushu TLO Company, Limited.

The undersigned respectfully requests that these Notifications be made of record in the above-identified US patent application.

Respectfully submitted,

Marshall M. Curtis
